

## Chapter 16.15 JBOZ JORDANELLE BASIN OVERLAY ZONE

---

### Section 16.15.08 ERU Calculations.

ERU calculations shall be based upon the Unit Equivalent Chart contained in Appendix 2, Figure 11 of this Title and in Chapter IV.C.5 of the Jordanelle Land Use Plan (JLUP). This does not, however, prevent the Special Service district from charging more for sewer and water.

Notwithstanding the chart, if a use is proposed that is not specifically listed in the chart, the Planning Staff shall assign an ERU value to said use which most closely compares to the requested use. This assigned value may be appealed directly to the Planning Commission.
